ABSTRACT

TASS is the Russian news agency and the fourth of the planet after Reuters, the Associated Press and Agence France-Press. TASS is a noteworthy news organization in Russia, established in 1902. TASS is offering its services in various areas and the entire world is optimistic for more news and communication based services without any fear and favor. The present world situation is very pathetic. The tension persists almost in the every block of the world so, TASS should emphasize on to cover the stories related to every block of the world. The present analysis shows that TASS has created some favorite blocks based on their priority and covering only those. As has been fourth largest news agency in the world, communities across the world is more eager to listen to TASS – Russian news agency. This research paper is an effort to analyze the international news coverage given by Russian news agency-TASS.

Key Words : TASS, News Agency, Russia, Moscow, Press

INTRODUCTION

The St. Petersburg Telegraph Agency, the first official news agency of Russia and the predecessor of ITAR-TASAS, started functioning on September 1, 1904. The agency had to report on political, financial, economic, trade and other figures of public interest within the empire and abroad. In August 1914, one day Saint Petersburg was renamed Petrograd; the SPTA was renamed as Petrograd Telegraph Agency. On 19th August 1914, the SPTA changed its name and became a Petrograd Telegraph Agency. In March 1918, PTA moved to Moscow, where it was merged with the government's press bureau in June. In July 1925, the Telegraph Agency of the Soviet Union was established by a decree of the Supreme Soviet Presidency and completed the duties of Roosta as the central information agency of the country. The TASS was organized in association with five main editorial boards, supplemented by the Federal Information, Foreign Information, Socialist Countries and Foreign Directive for Information, Photo Information, and Communication for Foreign Countries. Ria Novosti was created in 1961 to complement TASS, mainly in foreign reporting and human-beneficial stories. In 1959, Alexander Alexeu Cuba was sent on a fact-find mission, which was usually working for TASS. TASS is enlisted as a Federal State Unitary Enterprise, possessed by the administration of Russia. Headquartered in Moscow, TASS has 70 workplaces in Russia

and in the Commonwealth of Independent States, and also 68 authorities around the globe. The present world circumstance is extremely unfortunate. The strain holds on nearly in the each political block of the world in this way, TASS should accentuation on to cover the stories identified with each political block of the world. As being fourth biggest news office on the planet, groups over the world is more anxious to tune in to TASS – Russian News Agency. TASS abbreviations were well-recognized from this point in the world and hence it was retained after being redefined as the Telegraph Agency of Communication and Messaging. The entire agency was referred to as ITAR-TASS In September 2014, the agency withdrew its former name as the Russian news agency TASS. TASS includes news agencies of all Soviet republics: Russia (Ukraine), Belta (Belarusia), UZ (Uzbekistan), Kazet (Kazakhstan), Grisinform (Georgia), Azerinform (Azerbaijan), Elta (Lithuania), ATIM (Moldavia) LatinFarma (Latvia), Kyrgyzia (Kyrgyzia), Tajikistan (Tajikistan), Armenian (Armenia), Turkmenomanofarm (Turkmenistan), ETA (Estonia). TASS News and Photos were obtained by 4,000 Soviet newspapers, TV and radio stations and more than a thousand foreign media outlets. The middle has best in class gear for broadcasting and for online video linkups with urban communities crosswise over Russia and around the globe. Visitors can appreciate awesome Wi-Fi association; a smorgasbord room and mixed drink relax for gatherings and rests, stopping, sound and video recording and photograph administrations. Likewise, a huge number of new computerized depictions pour in consistently. What’s more, it likewise has a breakthrough representation of key news and occasions, information, study comes about, alongside maps, outlines, graphs and pictures – both in highly contrasting and in shading. TASS Exploration Center’s central goal is to think about and investigate standard world advancements in financial matters and get-togethers. TASS has been registered as a federal state unitary enterprise, which is of the Russian government. Headquartered in Moscow, TASS has 70 offices, which are 68 bureaus from all over the world, along with the Commonwealth of Russia and the Independent Nation. There is a communication floor in the heart of the Toss Multi-Media Press Center Moscow every year, this high level Russian officials, state’s foreign heads, leaders of key political parties, representatives of the world of art and culture, scientists and sports interests, as well as Russian and Organizes over 300 programs of managers of foreign trade enterprises.
